Important Information to Know!

- Free Public Skate Passes (locate don each student's badge) expire at the end of the class semester and do not forward on to any other class semester.
- If a student misses one class, you are welcome to come to a different LTS time and do a make-up class. They have until the end of the semester to make up the class.
- Recommended attire for every student would be loose fitting clothes such as sweat pants and a light jacket. Gloves or mittens are a **MUST**. Thin socks are much better than thick socks. It's best to have the skate fit to the foot and not to the sock.
