HS Basic 6+	10:55 AM	10:55 AM	

## About Learn to Skate

The Learn to Skate USA program is the premiere learn to skate program. AZ Ice Gilbert's staff adheres to their guidelines, providing a learning environment that motivates skaters to learn proper skating techniques and to enjoy a life-long love of skating!

As with your child's regular school classes, our goal at AZ Ice Gilbert is to have your skater learn skills correctly before they move to the next level. To maximize your child's progress, make sure they practice outside of their lessons. Practice sessions are available daily. See the Freestyle page of our website for details, or the Instructor Bios page to get connected with a private coach.

Regular attendance and practice habits will help skaters as they attempt to pass their evaluation at the end of the term! Have to miss a day? Students are welcome to come to a different LTS time and do a make-up class before the end of the semester. **We cannot offer refunds for missed classes** that are not made up. Homeschool classes cannot be made up during normal LTS times and vice versa.

Session pricing includes all scheduled 30 minute classes, rental skates if needed, and four free public skating passes that can be used by the skater or their family and friends. **Passes expire at the end of each semester.**

**Dash Registration:**

Visit [tiny.cc/azice-dash](https://tiny.cc/azice-dash) or scan this code to set up your Dash account and register today!
